

CEMENTIR PRESS RELEASE

London roadshow

ROME, November the 29th 2005

Cementir Group management is meeting institutional investors in London on December the 1st at Cazenove – JP Morgan offices. For 2005 Cementir expects to reach the following results:

- around € 835 m net sales
- around € 186 m EBITDA
- around € 410 m net financial position, including the acquisition of Edirne cement plant in Turkey announced in October pending Anti Trust authorities approval.

Group targets for 2008 are as follows:

- Sales over € 1 billion
- EBITDA around € 250 millions.

In 2006 Cementir will open a new terminal in Tampa (Florida, USA) for white cement import from Denmark and Egypt into the United States; total investment is around USD 20 millions. During the course of 2006 the Group plans to double cement capacity at Anqing cement plant in China to 200.000 tons per annum.
